October 2021

Cairo International Convention Center  
CICC (Hall 5)

The International Trade Fair For Chemicals, Detergent  
& Raw Materials Industries

المعرض التجاري الدولي لصناعة المنظفات والكيماويات والمواد الخام

# EGY CLEAN EXPO

- The perfect opportunity to show your products among more than **200 companies** from more than **25 egyptian and international countries** and in the presence of more than **10 thousand trade visitors** from different countries of the world.

## ABOUT THE MARKET

- The market for detergents and chemicals used in the manufacture of detergents and disinfectants is witnessing a great boom in the current period.
- The volume of investments in the detergents industry has increased many times, which has opened the door for business owners in the field of import and export to be present and compete in the local and international market.
- The production volume of detergents is estimated at 218.3 thousand tons per year.
- The high-foaming powder 294.9 thousand tons,
- The low-foam industrial detergents for automatic washing machines 232.2 thousand tons.
- The liquid detergents with disinfectant added 8340 tons.

Be special by participating at **Egy Clean Expo!**
